**Tribal Community Scrap Tire Collection Event
April 22nd—26th 2024
8:30 AM - 3:30 PM**

What is it? Community scrap tire collection is a special state authorized waste collection event held for the benefit of the Tribal Community.

Restrictions: No tires on metal rims. Tires from dealers **WILL NOT BE ACCEPTED!**

Event details: During the week of April 22nd—26th we will be accepting scrap tires from the Tribal Community for recycling. There will be no charge to drop-off your scrap tires. This event is for the sole purpose of reducing the amount of scrap tires being illegally dumped.

Did you know? Each year Oklahomans discard over 3 million scrap tires! Proper disposal is important! Open tire dumps present serious health risks that can result from toxic fires and the proliferation of disease-carrying mosquitoes.
